

## **Ration Shed Ride- Cue Sheets- PURPLE ARROWS**

\*The ride to Cherbourg is on forestry roads. These can be quite rough especially on the downhill into Cherbourg.

\*Vehicles follow riders as far as you are comfortable with. Then leave riders and meet them at the top of Cherbourg Rd (end of bitumen) to assist riders into Cherbourg.

\* Leaving Cherbourg the road can be busy. Vehicles to stay with tail riders.

**\* Riders don't turn onto the Bunya Highway into Murgon. There is a grassed area on your left, 50 m before the highway. Ride on grassed area to meet at Perkins Street (follow the fence line)**
